<b>Wake Up</b>	6:30	Get Ready	Pack your bag for Mk: DON'T FORGET Poncho, water bottle, charger, Shafting stick	Head to bus
<b>Head to Bus</b>	7:00	Because Coronado is so BIG it has 3 bus spots	Depending on your room it may be best to look at your map on the app to see where it is.	Give yourself at least 15 minutes to walk to the station
<b>Get in line for the buses</b>	7:15	You may notice a long line but know that lines will look extra long because of social distancing	Busses run at 8 but to get in line at 7 you can get on the bus towards the front of the line	You can eat your breakfast bars in line
<b>Head to MK</b>	8:00	<b>Bus</b>	From here you will get off at the Transportation area (when you leave you will head to this area and get on the bus for your resort)	Going to MK
